LAW (EDUCATION) *Department.*

Sir,

In submitting herewith the letter Ref.No.187/27, dated 16th June 1928 from the President, Taluk Board, Udipi, I have the honour to state as follows:- pp 3-4 infra

2. The Inspecting officers also recommend that the subsidy sanctioned in G.O.No. 887, Law (Education) dated 10th May 1927 may be utilised towards the strengthening of staff in boys and girls schools under the control of the Taluk Board. The suggestions made by the President, Taluk Board or by the Inspecting officers cannot be supported. Subsidies are being sanctioned by Government towards the strengthening of staff in the girls' schools opened with the aid of Provincial funds in centres with a population of 2000 and above and the cost of strengthening of staff in the old schools should be met by the 3 of (N) p.4 infra

local body. Similarly in the case of Boys' schools only those schools which have been opened with the aid of Provincial funds sanctioned since 1924-25 are now being subsidized towards the strengthening of staff. Further the subsidy was sanctioned by Government for the specific purpose of opening schools for boys in school-less centres. But subsequently it has been found that additional schools are not necessary, as the existing schools tolerably meet the requirements in the Taluk Board area. Therefor the sum of Rs 797/- sanctioned in G.O. No. 887, Law (Education) dated 10th May 1927 may be deducted from the monthly instalment of subsidy ordered to be sanctioned in ~~this~~ G.O.No. 930, Law (Educatio dated 30th April 1928.

Sir,

The Government in their Order No. 887 Law (Education) dated 10th May 1927 sanctioned subsidy amounti to Rs 797 for opening 5 new Elementary schools for boys in the area of this Taluk Board. The District Educational Officer, South Kanara, who was consulted as to the location of the schools, stated in reply that the ~~schools~~ existing number of Elementary schools in the Udipi Taluk was tolerab sufficient to meet the requirements of the Taluk and that the opening of more schools in the Taluk would necessarily

impair the strength and efficiency of the existing schools and enquired whether the Taluk Board was willing to transf the subsidy to any other Taluk Board -vide his letter R.C. No. 1255/27 dated 22nd July 1927-Copy enclosed. As a resu of deliberations my Taluk Board came to the conclusion tha it was advisable to utilise the amount for raising the sta tus of the Board Lower Elementary Girls' school at Barkur to a Higher grade by opening a VI standard, the want of -- which is ~~likely~~ keenly felt by the public and also to employ -- additional teaching staff in Girls' schools wherever necessary and accordingly, the Board passed a resolution reque ting the Inspectress of Girls' schools, Western Circle to obtain the sanction of Government to utilise the subsidy - for the above purposes. In reply, the Inspectress suggest that the Government may be addressed in the matter through the Director of Public Instruction, Madras-vide her letter R.C.No. 5/K/28 dated 12th March 1928-copy enclosed. I -- therefore request that the Government may be pleased to -- accord sanction to utilise the subsidy for the employment of a secondary grade trained teacher on Rs 32-1-45 annual in the Board Girls' school at Barkur and also to employ additiona teachers in the Board Girls' schools that might be advised by the Inspecting officers-vide T.B.resolution No. 46 22-5-1928 ~~copy enclosed~~. I may be permitted to state here for the - information of the Government that necessity for more --- teachers in Board Girls' schools is felt and the proposals received in the matter from the Inspecting officers could not be given effect tofor want of funds. Further, I request that the Government may be pleased to sanction the amount as a recurring subsidy to this Taluk Board.

2. A copy of Taluk Board resolution No. 46 22-5-19? is herewith submitted.
